

First Annual Innovation Award

Members Innovating to Improve Farming

\$150 cash prize

Show us your innovations! What clever way have you reused, re-purposed, rebuilt or created something completely new to improve your farm operations? Open to all Club Members. Share your ideas and help others in the farming community.

Guidelines: complete form, send 3+ photos (nrvsheepgoatclub@gmail.com)

Deadline September 2, 2019

Your Name:	Date:
Do you have a name for your innovation?	
Describe your innovation? Purpose? What need were you trying to fill or problem you were trying to solve?	
What lessons were learned in the development process?	
How has this innovation benefitted your farm? Has it saved money? Estimate of cost saving?	
How much did it cost you to build this innovation?	
Any other information you'd like to share? You can add more pages if you like.	
Do you agree to allow the club to share this information on the Club website, Facebook page, email and with press outlets? Yes No	
Do you agree to allow the club to share your general location information? (i.e. Galax, VA) Yes No <i>We would like to share your farm webpage, Facebook page, or other information if you have it and would allow others to contact you about your innovation. Feel free to add your webpage, Facebook page, and other info below:</i>
